### About Webinar:

Personality Development is the relatively enduring pattern of the thoughts, feelings and behaviors and the personality emerges early and continues to develop across one's lifespan. The whole process of personality development may take considerable effort to get a perceptible transformation in the whole personality. It occurs by the interaction of temperament, Character, Confidence, Optimism and

Gratitude with various motivational speakers. This webinar aims to focus on the Life Skills, Communication skills, Stress Management Skills, Leadership Skills etc. in order to succeed in one's life.

Motivational Speeches by experts and successful persons in different fields, spread in nine technical sessions of the present webinar go a long way in building and reforming the character of young men and women. Varied topics like building capacities, nurturing talent, enhancing new skills, working on weaknesses and transforming them into strengths, would be covered taking examples from Vedas, Puranas and Upanishads by Professionals. The present-day youth need to learn how to become more charismatic by developing inner self as well as outer self.

Personality Development and Life Skills throw light on various abilities and aspects of human life, to deal effectively with the events and challenges of everyday life. The Webinar is aimed to provide the teachers and teacher-educators, direction to resolve conflicts and to manage the stress to get success in various situations. Leadership requires number of soft skills to help the people positively interact with colleagues and team members. Effective leaders have the ability to communicate well, motivate team, handle and delegate responsibilities providing flexibility to solve the problems, decision making in an ever-changing work place.
