Ms. K. Lakshmi Sailaja is a dedicated and experienced educator with over two decades of expertise in Early Childhood Education and pre-primary teaching. With a deep commitment to nurturing young learners, she has consistently fostered engaging, inclusive, and developmentally appropriate learning environments that support holistic child growth.

She holds a Postgraduate Diploma in Early Childhood Education from Andhra Mahila Sabha, affiliated with Osmania University, along with an MBA from ICFAI Business School and a Postgraduate Diploma in Computer Applications. Her academic background combines educational theory, management skills, and technological proficiency, enabling her to adopt innovative and structured approaches to early learning.

Ms. Sailaja brings rich and diverse teaching experience across reputed institutions. She has served as a Pre-Primary Teacher at Oakridge International School and Jain International School, where she created dynamic classroom environments that encouraged curiosity, creativity, and active participation among young learners. She is currently associated with Kaizen Pre-School, where she continues to design and implement engaging lesson plans tailored to diverse learning needs.

Her international exposure includes serving as Centre Head at Kumon learning centres in Boston and New Jersey, where she demonstrated strong leadership in academic coordination and student development. In addition, she has been actively conducting after-school academic support classes for international school students in her community for over a decade, reflecting her sustained dedication to student learning beyond formal classrooms.

An advocate of innovative pedagogy, Ms. Sailaja has conducted professional development workshops for teachers on classroom management, storytelling techniques, child development, and positive discipline. She effectively integrates technology and multimedia tools into her teaching practices to enhance student engagement and learning outcomes.

Her excellence in teaching has been recognized through multiple awards, including the Inquiry-Based Learning Award, Innovative Teaching Practices Award, Ideal PYP Classroom recognition, Best Creative Teacher Award, and Best Teacher of the Year (Pre-Primary). These accolades highlight her creativity, dedication, and impact in early childhood education.

Equipped with strong skills in classroom management, curriculum planning, differentiated instruction, and assessment strategies, Ms. Lakshmi Sailaja continues to contribute meaningfully to the field of Early Childhood Education. Her passion for teaching, combined with her commitment to continuous learning and innovation, makes her a valuable contributor to the academic community.
